十三、范文:

To Be a Better Me

I want to be a better me, so I have some goals for myself.

First, I want to have a strong body. I'm going to do exercise every day, like riding a bike and swimming. I can also keep healthy by eating healthily and going to bed early. Then I'm going to keep learning. I want to read more books and get better at English. I can learn from others. Next, I want to have a happy life. I'm going to learn to

paint and listen to music. I can also try new things, like learning to cook or having a pet. I believe I can become a better me.

听力材料:

- 一、1. Robots will help us clean the house.
2. We will use 3-D printing to make food.
3. People will travel to the moon for holidays.
4. Flying cars will take us to school.
5. My family will live in a house under the sea.

二、1. Where will people live in 50 years?

2. Will robots do our homework?

3. How will you go to Mars?

4. What will Bob buy?

5. Why do you like future cities?

三、**Amy:** Sam, what will your future house be like?

Sam: It will be on a tree. And it will have a garden. What about you, Amy?

Amy: I think my house will be under the sea. We can watch fish through the windows. And robots will cook for us!

Sam: Cool! How will you go to school?

Amy: By flying bike. It's fast. I think the future life is so fun. What do you think of the future life?

Sam: I think it's fun and cool.

四、 In 2080, our school will be very special. It will be under the land. There will be no blackboards and students won't have schoolbags. Because all our books and pens will be on small computers. We only need to carry them to school. We will have classes online. And there will be friendly robots in the classroom, too! They can help us with our studies. After school, flying buses will take us home. They're small and fast. So we can go home very fast. Then we will do our homework online. We won't use pens or pencils. We will use e-pens to write our homework. It's so nice.

答案:

一、5 2 4 3 1

二、1. A 2. C 3. A 4. C 5. B
